Respected Sir/Madam,

As per the subject mentioned above, we Saraswati Institute of Pharmacy, Kurtadi, Hingoli, Maharashtra (PCI-1905) affiliated to SRTM University Nanded and imparting excellent pharmaceutical education. We have been collecting regular feedback on curriculum from students, from the data collected & analyzed, it was observed that students suggested for Pharmaceutical Analysis subject of Sem-I of B.Pharm need to be included in higher classes, mainly in Sem III of S.Y.B.Pharm .

Also as per the feedback collected from final year students, they are requesting that Pharmacy Practices/ Practical training / Industrial training must be compulsory in curriculum.

Whenever there is modification in the syllabus, kindly consider changes. This mail is forwarding for your kind information.

Respected Sir,

As per the subject mentioned above, Saraswati Institute of Pharmacy, Kurtadi, Dist. Hingoli (College Code 534) is affiliated to SRTMU Nanded and delivers excellent academics to students. We regularly collect feedback on curriculum from Teachers. From the data collected & analyzed, teachers suggested that the Bioassay topic of subject Pharmacology-II (Theory) of V<sup>th</sup> Semester of B.Pharm to be include under Unit-I instead of Unit V. This may help correlation of basic concepts with other chapters.

In future, whenever there is revision in the syllabus, kindly consider the above changes. This mail is forwarding for your kind information.

  
Thanking You.
